

*I STAND
WITH
ISRAEL*

*AND THE
WORDWIDE JEWISH
COMMUNITY*

I/ write with a heavy heart, deeply saddened by the recent events in Israel. My sorrow is profound, and I stand in unwavering solidarity with Jews both within and outside of Israel.

The atrocity witnessed on 7th October to date is utterly horrifying, and I utterly condemn the brutal acts of terror that have been and are being perpetrated against Israel by those wishing for its destruction.

My thoughts are with you daily, and my prayers are fervently dedicated to the well-being of Jews everywhere.

In these challenging moments, I want to emphasize my unequivocal support for Israel.
I stand with you, united. Always.

If there is any way I can offer support or assistance, please reach out.

With heartfelt solidarity,
